CAREER OBJECTIVE

To build a career in software development, Java development and full stack engineering, where I can apply my knowledge of Java, SQL, web technologies and Android development to solve real-world problems and keep growing as a developer.

PROFESSIONAL SUMMARY

Pursuing an Integrated BCA + MCA at Galgotias University, with strong knowledge of Java, full stack development, SQL, Linux, object-oriented programming and web development. Experienced in building software applications, Android projects and machine learning mini-projects. Completed a full stack web development internship and certifications from Oracle and Cisco Networking Academy. Passionate about problem-solving, software engineering, database management and modern development technologies.

EDUCATION

Qualification	Institution	Duration
Integrated BCA + MCA in Computer Science	Galgotias University, Greater Noida	2024 – 2029 (expected)

TECHNICAL SKILLS

Programming Languages	Java, Python, C, C++, Kotlin
Web Technologies	HTML, CSS, JavaScript, React.js
Databases	SQL, MongoDB, DBMS
Tools & Platforms	Git, GitHub, Linux, Android Studio
Core Concepts	Object-Oriented Programming, Full Stack Development, Machine Learning

CURRENT PROJECTS

Sarthx — AI-Powered Citizen Welfare Discovery Engine | In progress

- Building an AI-powered engine that helps citizens discover the government welfare schemes they are eligible for.

SafeHer | Android Development, In progress

- Developing an Android app focused on women's safety.

ACADEMIC PROJECTS

Email Spam Detection | Python, Machine Learning, Tkinter

- Developed a machine learning-based spam email detection system using Python.
- Implemented classification logic to detect spam and non-spam emails.
- Integrated a Tkinter GUI for improved user interaction.

Stopwatch Android App | Kotlin, Android Studio

- Developed an Android stopwatch application using Kotlin.
- Implemented start, pause and reset functions with a responsive UI.
- Focused on mobile application performance and clean design.

INTERNSHIP

Full Stack Web Development Intern | Jyesta Corporate Entity

- Completed an internship program in full stack web development.

TRAINING PROGRAMS

Program	Institute
Java Training Program	TCA Gurgaon
Full Stack Using Java Training Program	TCA Gurgaon
C & C++ Programming Training Program	TCA Gurgaon

CERTIFICATIONS

Certification	Issued by
Database Programming with SQL	Oracle
Java Fundamentals	Oracle Academy
Linux Unhatched	Cisco Networking Academy
Cyber Threat Management	Cisco Networking Academy

WORKSHOPS & EVENTS

Workshop / Event	Organiser / Role
MongoDB from Zero to CRUD	Hands-on database workshop
Ethical Hacking & Cybersecurity	Workshop
AI Tools Workshop	be10X
HCL GUVI Workshop	HCL GUVI
Decode The Code	IEEE Galgotias University
Smart India Hackathon 2025	Volunteer

ACHIEVEMENTS & ACTIVITIES

- Volunteered at Smart India Hackathon 2025.
- Participated in Decode The Code, a coding event by IEEE Galgotias University.
- Completed a full stack web development internship program.
- Built Android and machine learning projects using modern technologies.

AREAS OF INTEREST

Java Development • Full Stack Development • Android Development • Cybersecurity • Linux • Databases • Machine Learning

DECLARATION

I hereby declare that the information given above is true and correct to the best of my knowledge and belief.
